 The image shows a white, rectangular TYXIA 5610 programmable thermostat. It features a digital display at the top showing '5610'. Below the display are four buttons labeled 1, 2, 3, and 4. To the left of the buttons is a vertical scale with a '10 mm' mark. Below the buttons is a wiring diagram showing terminals L, N, and a load symbol (a circle with a cross). Technical specifications are printed on the device: 'Standby 0.06W 230V~' and '230 V~ 0.6 VA 200W max'. A small 'X3D' logo is also visible.	30343	THERMOSTAT PROGRAMMABLE	593,500.00 Ar	712,200.00 Ar
